

**TO NWMC Adult Delegates and Staff:** Westminster has granted us 250 password accounts to access their internet network. Please fill in the form and mail it to the NWMC office by June 15 if you wish to take advantage of this offer. You will need a password to access lab computers as well as your own personal computer, either in wireless areas or in your dorm room via an Ethernet cable. Once you have a password, you will need to register online with Westminster. An automatic scan will determine if your computer has updated anti-virus and firewall protection. Do that before you come! You will also need to have your identity verified by a Driver's License photo to receive a password. The NWMC office will handle the details of this request form and issue your password at Registration or in the office.

## **Westminster College Network Guest Account Request Form**

First Name: \_\_\_\_\_ Last Name: \_\_\_\_\_

Street Address: \_\_\_\_\_

City: \_\_\_\_\_

State: \_\_\_\_\_ Zip Code: \_\_\_\_\_

Driver's License State: \_\_\_\_\_

\* Westminster College reserves the right to deny anyone access to the College's network resources. All network accounts are required to abide by Westminster College's Policy for Responsible Use of Information Resources and any other policies that apply to College resources: <http://www.westminster.edu/student/handbook/> . If a network account is provided, the requestor is responsible for any network activity that occurs under the assigned username and the account is not to be shared.
