

What is NWMC?

The New Wilmington Mission Conference (NWMC) is an annual, intergenerational gathering for anyone interested in hearing about and being a part of what God is doing around the world and close to home!

Entering its 119th year, NWMC combines the fun of summer camp, the education of a conference, and service of mission work into one fun, faith-filled week. From pastors to church members, youth groups to mission coworkers, we have something for everyone.

Our leadership team firmly believes that every Christian of every age has a call in obedience to the Great Commission. NWMC is dedicated to helping believers discern their call to be a “missionary,” whether in their homes, schools, and jobs, in the local church, or in far away countries.

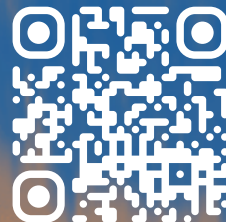

Join attendees and mission co-workers from 30+ states and 20+ countries for five days of learning, fellowship, growth, and friendship.

229 S. Market Street
New Wilmington, PA 16142
